Well Pet Plans are a convenient and affordable way to provide the care your Pet needs. A **Well Pet Plan** is a pre-paid collection of discounted healthcare services for your Pet.

Well Pet Plans are Not Insurance - They're much better! They focus on preventive services that keep your Pet healthy.

By focusing on prevention, **Well Pet Plans** help your Veterinarian better understand your Pet's regular healthcare needs. Because your Veterinarian understands your Pet's health baseline, they are more likely to detect a problem before conditions worsen. Early diagnosis can also result in a better prognosis.

Our goal is to help Pet owners provide the very best Veterinary care to their Pets.

Every **Well Pet Plan** includes:

- ✓ **Unlimited Free office visits & exams**
- ✓ **Discounts up to 71% on in-plan services**
- ✓ **Discount of 15% on out-of-plan services**

Well Pet Plans let you provide for your Pets preventive care at a reduced rate, spread over 12 months and with no interest!

Can I use my Plan at any Veterinary Practice?

When you enroll, you choose the location and the doctor that are best suited for you. In-plan services are provided at that location. Your out-of-plan discount is available at any Well Pet Provider.

Is my Plan transferable if I move?

Yes! Simply locate the nearest Veterinary Hospital that offers **Well Pet Plans**. They can transfer your records. A new 12-month plan will be started at the new location. For more information, see your Well Pet agreement.

Is it possible to cancel my Well Pet Membership?

All of our plans are annual agreements, which allow for you to pay for your services interest free over a 12-month period. You may cancel your plan at any time before the expiration date by either paying the retail value of your plan services used, or the remainder of your plan's value, whichever is less.

Please read your Well Pet Healthcare Agreement for complete terms and conditions of membership.

About Well Pet Plans

Well Pet Plans were founded by veterinarians for veterinarians and their clients, with the purpose of making high quality Veterinary Medicine available to everyone. **Well Pet Plans** is the only company of its kind to provide the type of Veterinary Preventive Healthcare Plans we offer outside of a group practice and through your local Veterinarian.
